### Qualifying procedures from member schools which sponsor swimming:

- Swimmers must achieve the minimum standard established by the WPIAL and enclosed in this schedule.
- These standards must have been met during the 2017-2018 season in a WPIAL dual meet or in an invitational qualifying meet that uses an electronic timing device and is verified by a PIAA approved official.
- Invitational qualifying meets must be scheduled and completed by **Saturday, February 17, 2018**. These meets must be scored and athletes are permitted to compete in a maximum of 4 events, no more than 2 of which may be individual events. Swimming an event multiple times is not permitted.  
*\* Invitational qualifying meets count towards the team season maximum and should be a part of team schedule \**
- The time submitted for WPIAL entry may not be a Time Trial, Aggregate or Practice time. Relays must qualify as a relay; aggregate/composite relay times are not acceptable as entry times.
- The deadline for all WPIAL entries is NOON on Monday, February 19, 2018.

### Qualifying procedures from Independent Schools (member schools which do not sponsor swimming):

- Independent schools may enter one swimmer per individual event provided that swimmers have achieved the minimum standard established by the WPIAL and enclosed in this schedule. If two swimmers of the same gender qualify for the same event, the school must determine their designated competitor for that event.
- These standards must have been met during the 2017-2018 season in a WPIAL dual meet or in an invitational qualifying meet that uses an electronic timing device and is verified by a PIAA approved official.
- The competing teams should not relinquish any of the meet times so these qualifications can be established. These qualifications can be accomplished where an open lane exists, in a natural gap during the meet or at the end of the meet.
- Independent competitors must be accompanied by a professional employee/designated coach (presented in writing to the meet referee) of their school district who **MUST REMAIN FOR THE DURATION OF THE MEET**. There is no exception to this rule.
- Independent schools will enter the meet via the directions noted below, the same as sponsoring member schools. The official time verification must be delivered to the WPIAL Office by NOON on Monday, February 19, 2018.

\*\* It is the responsibility of each school to ensure all qualifying times are being reported to the WPIAL as required in the Meet Entry Addendum dated April 20, 2017. Times that have not been reported through this process will not be

accepted for entry to the WPIAL Championship. Schools must submit their PROOF OF TIMES along with their official entry and be prepared to prove any time if questioned.

### UNIFORM INTERPRETATION/CLARIFICATION (SUITS WORN BY SWIMMERS/DIVERS)

The following applies at ALL levels of competition and includes warm-ups.

**Rule 3-3-1:** A competitor shall not be permitted to participate wearing a suit that is not of decent appearance. Boys shall wear suits which cover the buttocks. Girls shall wear suits which cover the buttocks and breasts.

**Rule 3-3-3 (b) 4:** made with no zippers or other fastening system other than a waist tie for a brief or jammer and elastic material within the casing/ribbing in the terminal ends (straps, leg openings and waist openings). This means female swimmers shall not wear suits that tie at the neck or any place on the back.

1. Female swimmers/divers shall not pull the suit/straps past the shoulders/down to the waist and wear sports bras, bikini tops or halter tops.
2. A drag suit may be worn over a competition suit for warm-ups.
3. All suits worn on deck (except drag suits) shall meet all requirements of the uniform rule.
4. Leggings and panty hose may be worn with a competition suit for warm-ups.
5. Divers may wear two suits.

### SUBMISSION OF ENTRIES

Each school must complete the registration process on line according to the directions listed below. Please review all information and begin the process of getting comfortable with the entry system as soon as possible to make sure all is working for you. The deadline for all WPIAL entries is NOON on Monday, February 19, 2018. There will be no extension of this deadline. No entries should be given or mailed to either the WPIAL office or to any member of the Swimming Committee. If you have questions about completing your entries contact Meet Director, Mr. Jamie Morton, via e-mail [jmorton@moonarea.net](mailto:jmorton@moonarea.net) or 412-334-8801. DO NOT CALL THE WPIAL OFFICE.

- All divers must be entered through the Team Manager File AND through the *Omada-Trak* website noted in the Diving Information letter (see the Diving Information letter for specifics on entering the diving events).

We will be using the same entry system as last year. Entries for the 2018 WPIAL Swimming and Diving Championships are to be sent in a Team Manager File, so they can be integrated into the Meet Manager Data Base. This procedure is applicable to all schools that submit entries to this year's championship. If you do not have the Team Manager Program please go to this link <http://www.hy-tek.com> - once you are there, click on Download Center and then click on Lite. Save this file. You will now be able to use Team Manager Lite 8.0. This is a limited use Free Download and will allow you to submit your entries.

Prior to completing your entries, download the appropriate meet for your team - AA or AAA - from the WPIAL website, [www.wpial.org](http://www.wpial.org). Schools that have split squads where one team is AA and the other one is AAA, will have to download both data bases and save them as separate meets. This is to be downloaded into your Team Manager Data Base. This is an important step to make sure your entries are accepted accurately. Schools that use Team Unify can also submit their entries using that software. THE FOLLOWING POINTS ARE VERY IMPORTANT:

- **Please make sure each athlete has a grade designation of 9, 10, 11 or 12; do not alter or leave this blank.**
- **Be sure to enter all USA Swimming ID numbers for active US Swimmers on your roster (p. 7).**
- **Your team abbreviation must match your four letter designated team abbreviation code (this is the one you have used all year when submitting your meet results and it should be set up in your database).**
- **If you do not know your code please email [jmorton@moonarea.net](mailto:jmorton@moonarea.net) DO NOT CALL THE WPIAL OFFICE**

To import the events into team manager:

- Click on the appropriate events file. You will be given the option to save or open. You want to save the file on your computer or flash drive. When the download is complete, click CLOSE.
- Open your team manager data base. Click FILE, IMPORT, Meet events. You need to locate the events file that you saved. Double click on the file and the events will be saved in a temporary file. Double click on that
- and they will be imported. When the import is completed you will get a message that the events were imported.
- Click on the “Meets” menu in your Team Manager database and you will see the WPIAL Meet located there. You are now ready to do entries. When you are finished with your entries, go to FILE, EXPORT, meet entries. Make sure you check off to export relays. DO NOT check the box that says to export only relays. Save your file. It is helpful if you can rename the file to include your team name.
- Attach the file to an email to [wpial2a@gmail.com](mailto:wpial2a@gmail.com) or [wpial3a@gmail.com](mailto:wpial3a@gmail.com) depending on your classification. **PLEASE NOTE THAT THESE ENTRY EMAIL ADDRESSES ARE DIFFERENT FROM THE RESULTS EMAILS USED DURING THE SEASON.**

Please include your full team name, AA or AAA, on the subject line of your email. In the e-mail please include a phone number where you can be reached if there is a problem. **PLEASE CHECK YOUR EMAIL FREQUENTLY BECAUSE IF THERE IS A PROBLEM THIS IS THE WAY WE WILL COMMUNICATE WITH YOU.** You will receive an email confirmation that entries were received. You will also be e-mailed a meet manager copy of your entries. Please double check for accuracy as any errors on your entry must be remedied before the deadline.

Please make sure you include your divers in your entry. Your official entries (your entry file and all associated paperwork -Section Record Form, Proof of Times, Team Schedule) are to be received no later than NOON on Monday, February 19, 2018. Please start your entry process early so we may be of assistance to you and help troubleshoot any problems that occur. If you are having trouble in this process please contact Meet Director, Jamie Morton via e-mail [jmorton@moonarea.net](mailto:jmorton@moonarea.net) or by phone at 412-334-8801.

All swimming and diving entries must comply with the 2017/2018 National Federation Swimming/Diving Rule Book. Competitors shall be permitted to enter a maximum of four (4) events, no more than two (2) of which may be individual events. Being designated a member of a relay team does not count as an entry unless the competitor actually competes.

Teams must have a minimum of 10 and a maximum of 18 competitions (swimming and/or diving) prior to the WPIAL Meet, to be eligible to score team points at the WPIAL or PIAA Championships. Reminder that Double Dual Meets, where 3 teams and 3 scores are kept, count as 2 meets for each team and Tri Meets or an Invitational, where one set of scores are kept, count as 1 meet. This includes Last Chance Invitational Qualifying Meets. You must submit a copy of your completed schedule when you submit entries to the WPIAL (reference PIAA By-Law Article IX, Section 4).

The Section Record Form is included with this document. The completed form (which includes your final section win/loss record and the contact information of your coaching staff), your completed team schedule and qualifying Proof of Times are required to be scanned and emailed to [wpial2a@gmail.com](mailto:wpial2a@gmail.com) or [wpial3a@gmail.com](mailto:wpial3a@gmail.com) as part of your official entry. Please include your full team name, AA or AAA, on the subject line of your email. This information must be received no later than NOON on Monday, February 19, 2018.

PIAA CHAMPIONSHIPS

The PIAA Swimming and Diving Championship will be held at Bucknell University March 15 - 18, 2018.

The WPIAL receives the following number of AUTOMATIC qualifying entries to PIAA Championship:

AA GIRLS	SWIMMING	4	DIVING	6
AA BOYS	SWIMMING	4	DIVING	6
AAA GIRLS	SWIMMING	3	DIVING	5
AAA BOYS	SWIMMING	3	DIVING	5

If two or more swimmers are tied for the final qualifying spot to the PIAA meet, the tie will be broken by the entry time submitted to the District (WPIAL) Championship. This is why it is imperative that you are able to prove your qualifying times with verified meet results.

A swimmer must compete in the same individual events at the PIAA championship from which they have qualified at the WPIAL meet. Competitors are permitted to enter a maximum of five (5) events, no more than two (2) of which can be individual events, and swim in a maximum of 4 events. A swimmer may compete in any relay at the PIAA Meet that his/her team qualifies for as long as they are listed as one of the 8 swimmers for that relay event.

If a swimmer qualifies for an individual event and chooses not to swim that event at the PIAA championship, that swimmer may scratch from the PIAA individual event in order to compete on a qualifying relay team from their school - provided their name has been listed on that relay team on their WPIAL master entry.

To scratch an entry to the PIAA Meet the swimmer’s coach must send an e-mail to the WPIAL Meet Director, Jamie Morton, at [jmorton@moonarea.net](mailto:jmorton@moonarea.net) no later than Monday, March 5 at 10:00 AM. If you do not receive a confirmation e-mail, resend the e-mail or call Jamie Morton at 412-334-8801. If a scratch occurs, the next eligible swimmer will be given the opportunity to advance to the PIAA meet.

Tickets for the PIAA championships are not available at the WPIAL championship meet. Packets will be provided to each qualifying coach at Bucknell during registration according to the instructions addressed in the PIAA swimming championship brochure located on the PIAA web site.

PROOF OF TIME REPORT – to be included with entries.

All qualifying times should be in the WPIAL Time Reporting Database by Saturday, February 17, 2018. Below is a portion of a sample report from Hy-Tek’s Team Manager that will satisfy the WPIAL’s PROOF OF TIME requirement. If you do not use Team Manager or other swim management software, please submit your information in a similar format with the required details (see bottom of p. 2 of this document). Unverified times will not be accepted.

*USA Swimming SWIMS Upload Information*

*[updated 11/10/2016, LM]*

As most of you are aware, there are many USA Swimming athletes participating in the WPIAL Championship Meets each year. These meets are observed by USA Swimming officials and the times achieved can be uploaded into the USA Swimming National Times Database (SWIMS). As such, they can be used to determine a swimmer's eligibility for future USA Swimming meets, local and national records, and local and national rankings. Because the WPIAL meets are Observed, the swims are swum as Unattached and do not impact a club's VCC rankings.

In order for times achieved at WPIALs to be uploaded into SWIMS, the athlete's USA Swimming ID must be provided when entering them in the meet directly in the entry file. Coaches are expected to enter and verify the information with their athletes, regardless of their club team – this is a benefit to the athlete and they should not be penalized.

**Effective the 2017 WPIAL Meet, all USA Swimming IDs must be provided before the meet start. No IDs will be added after the meet completion.**

**Further, only IDs of active USA Swimming members are to be entered into your entry file. If you do not have USA Swimming members on your team, do not build IDs. If you have a few but not all, only build IDs for those that are current members. Verify with your athlete/parents for current membership if you are unsure.**

**Times from the meet will be automatically uploaded in the following scenarios:**

- Individual events which are not DQd under USA Swimming Rules
- Relay events consisting of four USA Swimming athletes of the same USA Swimming club which are not DQd under USA Swimming Rules

**Times from the meet will not be uploaded in the following scenarios:**

- Individual events which are DQd under USA Swimming Rules
- Relay events consisting of four USA Swimming athletes who are not of the same USA Swimming club

**Times from the meet can be uploaded, upon written request after the meet to the AMS Technical Planning Chair, in the following scenario:**

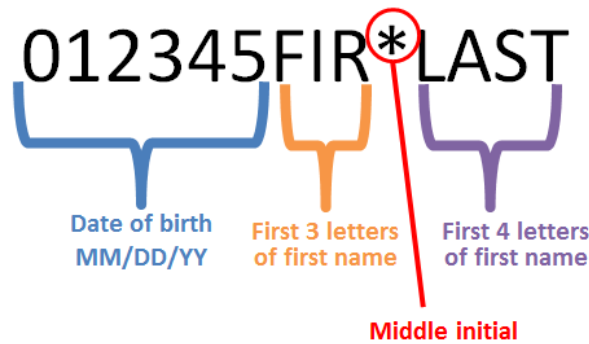

- Relay leadoff from a relay consisting of four USA Swimming athletes who are not of the same USA Swimming club which is not DQd under USA Swimming Rules

-Initial distance split extracted from an individual event which is not DQd under USA Swimming Rules

To determine the athlete's USA Swimming ID, you will need the following information:

**FIRST NAME**                      **MIDDLE NAME**                      **LAST NAME**                      **DATE OF BIRTH**  
*no nicknames!*

Team Manager will automatically build the ID for you when you input the above information and tab through the screen. The USA Swimming ID pattern is as such:

**Use an asterisk (\*) when:**

- there is no middle name, thus no middle initial
- there are not enough letters in the first name (3) or last name (4) to complete the pattern

	Example #1	Example #2	Example #3
<b>First Name</b>	John	Allison	Larry
<b>Middle Name</b>	Allan		Francis
<b>Last Name</b>	Smith	Knight	Lu
<b>Birth Date</b>	01/25/1989	06/06/1994	12/16/1999
<b>USA Swimming ID</b>	012589JOHASMIT	060694ALL*KNIG	121699LARFLU**

Should you have any questions in the process, please contact the Jamie Morton, WPIAL Swimming Committee Chair at [jmorton@moonarea.net](mailto:jmorton@moonarea.net) or Georgiann Barry, Allegheny Mountain Swimming Technical Planning Chair/National Times Officer at [georgiann.barry@amswim.org](mailto:georgiann.barry@amswim.org)
